

iteachNEVADA Supervisors

Qualifications

- Minimum of (5) years classroom experience.
- Minimum state teacher’s certification, preferably with an administrator certificate.
- Minimum bachelor’s degree, preferably with advanced degree.
- Excellent written and verbal communication skills.
- Recommendation of last campus administrator.

Training for Supervisors/Contractors

- Teaching Channel
- Online Webinar (while still in observance of Covid)
- Supervisor ZOOM w/ Western Director

Your Role

- Observe candidates as they complete their field work.
- Supervisors are assigned 13-15 candidates.
- They will complete 5 observations for each candidate during a 14-week clinical trial.

<u>Observations</u>	<u>Semester</u>	<u>Time of Observation</u>
1	Fall	45 minutes
2	Fall	45 minutes
3	Fall	45 minutes
4	Spring	45 minutes
5	Spring	45 minutes

Reporting:

- Supervisors/contractors will complete a specific evaluation/observation form to be submitted at a minimum of one time during the two-semester field experience.
- Supervisor/contractor will review this form with the campus administrator prior to the end of the second semester.
- Supervisor/contractor will submit the completed evaluation/observation forms and the administrators remarks on or before May 1 to iteach.
- Finally, you will be the instructor of record for the field experience course for your candidates, in which 3 reflections, including a video posted to Teaching Channel, will be graded by you, the supervisor.

Compensation:

- Supervisors/contractors will receive a \$1,000.00 per candidate that is supervised.
- The supervisor/contractor will receive 50% of the fee on December 15
- The supervisor/contractor will receive the other 50% on May 31
- Payments are contingent upon satisfactory completion of the fulfillment of services agreed upon with iteach.
- The supervisor/contractor shall be reimbursed for mileage, at the state rate, for all miles traveled over 25 miles (one way) from their residence.
